

Final Report

On

Association between Endometriosis and heavy metal concentrations in Sri Lankan females of reproductive age

Grant number: ASP/6/Re/2008/06

Prof. Roshini Peiris-John
Professor in Physiology
Department of Physiology
Faculty of Medical Sciences

Final Report

Project title:

Association between Endometriosis and heavy metal concentrations in Sri Lankan females of reproductive age

Grant number: ASP/6/Re/2008/06

Name of the Grantee

Prof. Roshini Peiris-John,
Professor in Physiology,
Department of Physiology,
Faculty of Medical Sciences.

Names of the Researchers

Prof. Roshini Peiris-John,
Professor in Physiology,
Department of Physiology,
Faculty of Medical Sciences.

Dr. W.A.N.Y Silva,
Lecturer (Probationary),
Department of Physiology,
Faculty of Medical Sciences.
