

**Methylenetetrahydrofolate Reductase (MTHFR) gene
C677T and A1298C polymorphism in a sample of patients
undergoing Coronary Artery Bypass Grafting.**

Report of the Study conducted under University Grant No: ASP/6/R/2007/04

Dr. J. Indrakumar

Prof. H. Peiris

Dr. P. P. Rasika Perera

Final Report on University Grant Number ASP/6/R/2007/04

a.

1. **Grant Number** : ASP/6/R/2007/04 (One Year)
2. **Title of the project** : Methylenetetrahydrofolate reductase (MTHFR) gene C677T and A1298C polymorphism in a sample of patients undergoing Coronary Artery Bypass Grafting.
3. **Institute where research was carried out:**

Cardio-thoracic operating theatre Nawaloka Hospitals PLC,

Colombo and GENETECH (Pvt.) Ltd, No: 58, Kitulwatte Road,

Colombo 8.
4. **Chief scientific investigator:**

Dr. J Indrakumar
5. **Amount of funds spent from the university grant :**

Rs. 238,370/=
6. **Any other sources of funding :**

None
