A STUDY OF TUBERCULOSIS
IN THE
GALLE HEALTH DIVISION
SRI LANKA

A GEOGRAPHICAL APPRAISAL
BY
S. SAMATH MATHILAL

THESIS SUBMITTED FOR
THE DEGREE OF MASTER OF
ARTS (GEOGRAPHY) AT THE
SRI JAYAWARDENAPURA UNIVERSITY
OF SRI LANKA

TABLES AND FIGURES	I
ACKNOWLEDGEMENTS	x
<u>Chapter 1 - INTRODUCTION</u>	1
1.1.- The Geographical Background	
1.2.- Purpose of Study	
1.3.- Methodology	
<u>Chapter 2 - TUBERCULOSIS INFECTION</u>	9
2.1.- Tubercle Bacillus	
2.2.- Mode of Infection	
<u>Chapter 3 - TUBERCULOSIS PROBLEM IN THE GALLE HEALTH DIVISION</u>	19
3.1.- The occurrence of tuberculosis in the Galle Health Division in relation to Sri Lanka	
3.2.- Incidence of tuberculosis in relation to other infectious diseases in the Galle Health Division	
3.3.- Tuberculosis problem in the Galle Health Division	
<u>Chapter 4 - THE PHYSICAL ENVIRONMENT AND THE SPATIAL VARIATION IN THE INCIDENCE OF TUBERCULOSIS IN THE GALLE HEALTH DIVISION</u>	30
4.1.- Physical features	
4.2.- Discussion	
<u>Chapter 5 - NUTRITION AND TUBERCULOSIS</u>	41
5.1.- Present average nutritional levels and Tuberculosis households	
5.2.- Findings of the Geo-Medical Survey	
5.3.- Impact of nutritional inadequacies on health	
<u>Chapter 6 - TOBACCO, ALCOHOL AND TUBERCULOSIS</u>	52
6.1.- Effect of alcohol on health	

6.2.- Effect of tobacco on health

6.3.- Findings of Geo-Medical Survey and other related Medical Research

Chapter 7 - HOUSING AND TUBERCULOSIS 57

7.1.- Materials of construction of housing

7.2.- Toilet facilities and occupancy

7.3.- Housing and Tuberculosis

Chapter 8 - FACTORS AFFECTING AGE VARIATION IN THE INCIDENCE OF TUBERCULOSIS IN THE GALLE HEALTH DIVISION 70

8.1.- The role of Biological factor

8.2.- The role of Socio-Economic factor

Chapter 9 - FACTORS AFFECTING SEX VARIATION IN THE INCIDENCE OF TUBERCULOSIS IN THE GALLE HEALTH DIVISION 85

9.1.- The role of Biological factor

9.2.- The role of socio-economic factor

Chapter 10- ETHNICITY AND TUBERCULOSIS INCIDENCE IN THE GALLE HEALTH DIVISION 94

10.1.- The role of Biological Factors

10.2.- The role of Socio-economic factors

Chapter 11- SPATIAL VARIATION IN THE INCIDENCE OF TUBERCULOSIS AND THE ENVIRONMENT IN THE GALLE HEALTH DIVISION 106

11.1.- Physical environment and spatial incidence of tuberculosis

11.2.- Socio-economic factors and the spatial incidence

11.3.- Levels of income and tuberculosis

11.4.- The Urban-Rural balance and the
incidence of tuberculosis

11.5.- Sex, Age, Ethnicity and spatial incidence
of tuberculosis
