VIDYODAYA JOURNAL OF SCIENCE VOL 8.

8 Page

CONTENTS

1.	A review on an underutilized legume <i>canavalia gladiata</i> Sagarika Ekanayake, E. R. Jansz Baboo, M. Nair and A. M. Abeysekera	...	01
2.	Studies on diel feeding and digestibility of cyanobacteria L. M. Kariyawasam and Swarna Piyasiri	27
3.	Effects of cooking on the mineral and oxalate content of some legumes S. A. Deraniyagala and P. S. De Alwis Gunawardena	39
4.	Effect of Polysaccharides of <i>Centella asiatica</i> and <i>Aegle marmalos</i> on the life span of <i>Artemia salina</i> V. D. P. Sirimanne, K. T. D. Silva, R. Sumathipala	51
5.	Osmoregulation of some fishes from the Bolgoda estuary J. M. C. K. Jayewardena and M. V. E. Attygalle	63
6.	The diet of Sri Lankan domesticated elephant (<i>Elephas maximus maximus</i>) W. K. Godagama, C. Wemmer and W. D. Ratnasooriya	75
7.	Spheres produced in a graphite film bombarded by electrons P. C. B. Fernando and Agra T. Wijeratne	87
8.	Biochemical and microbiological changes of <i>Caryota urens</i> (Kithul palm) phloem sap. A. N. Jayathilake and S. C. Wijeyaratne	91
9.	Food preferences (three fruit types) of Sri Lankan short-nosed fruit bat <i>Cynopterus sphinx</i> (Chiroptera) in a semi-natural condition W. B. Yapa, J. Kumarasinghe, P. M. C. B. Digana, P. V. Randeniya, W. D. Ratnasooriya	...	109
10.	A study on iron-chlorosis of <i>Citrus sinensis</i> (L) osb. (sweet oranges) grown in Bibile M. D. J. Wijebandara and S. P. Deraniyagala.	117
11.	Serum glucose levels in captive Sri Lankan elephants (<i>Elephas maximus maximus</i>) W. D. Ratnasooriya, M. B. Gunasekera, N. C. W. Goonesekere, H. Vandebona and D. S. Kodikara.	127
12.	Ovipositional preference and development of the cowpea beetle <i>Callosobruchus chinensis</i> on different stored pulses D. U. S. Wijenayake and M. M. S. C. Karunaratne	135
13.	Kinetics and mechanism of oxidation of ethylacetate by potassium permanganate in acidic medium S. P. Deraniyagala and T. N. T. Premasiri	149
14.	A preliminary studies on fish production in relation to primary production of the western coastal waters in Sri Lanka R. R. M. K. P. Ranatunga	161
15.	Iodine in pulses and cereals S. P. Deraniyagala, W. V. S. M. Perera, W. S. Fernando and W. S. P. Bamunusinghe	...	173
16.	Detection of banana bunchy top virus isolates from Malaysia using the polymerase chain reaction E. M. Dassanayake	181
17.	Ecology of ecto-parasites of some cave-dwelling microchiropterans of Sri Lanka A. S. A. Weerakkody, P. V. Randeniya and W. D. Ratnasooriya	189
18.	Bioaccumulation of heavy metals in three species of fresh water fish from Weras Ganga evidence for bio magnification Mayuri R. Wijesinghe, Y. N. A. Jayatunga and R. Hewamanna	203
19.	Composition, distribution and density of zooplankton in Randenigala reservoir, Sri Lanka. M. M. Pathmalal and Swarna Piyasiri	207
