

VIDYODAYA JOURNAL OF SCIENCE

VOL. 9

JULY 2000

	CONTENTS	PAGE
1.	Purification of NADP dependent 1, 3, 6, 8 Tetra hydroxy naphthalene reductase from <i>verticilliuces</i> Weerasooriya and Simpson... ..	01
2.	Oral hypoglycaemic activity of three Aurvedic drug formulations Jayasinghe, Maya Gunasekara, Nalin Gunasekara and Ratnasooriya	15
3.	Sex ratio and size range of small cetaceans Illangakoon, Miththapala and Ratnasooriya	25
4.	Species diversity, seasonal variation and capture method of small cetaceams Illangakoon, Ratnasooriya and Miththapala	37
5.	A study of the use of two tetrazolium salts Peiris and Withana	53
6.	Gastroprotective activity of potaladi decoction in rats Munasinghe, Vithanage and Ratnasooriya... ..	59
7.	Free fluoride content in tea liquer Deraniyagala and Chinthaka	69
8.	Flabelliferins of naringinase bittered palmyrah Nikawela, Janz, Jacobson, Baeckstrom, et al.	79
9.	Formal sector financing of the marine fish producion Weerasooriya, Hewapathirana and Wejeratne	87
10.	Effect of palmyrah fruit pulb on weight gain of mice Ariyasena, Shamini et al.	97
11.	Denstiy of distribution and habitat of Black ruby barb in Kuru Ganga Jinasasa and Herath... ..	105
12.	Synthesis and attempted ² H labeling of Trihydroxynaphthalene, Weerasooriya and Simpson	111
13.	Parasitoid of sugarcane planthopper Ganehiarachchi and Fernando	129
